Dedicated and skilled web developer with a strong academic background. Proficient in HTML, CSS, MySQL, Oracle SQL, Java, Python, PHP, and Bootstrap. Recognized for problem-solving abilities, self-confidence, and adaptability. Currently pursuing MCA at S K Patel Institute Of Computer Studies. Demonstrated proficiency through the development of a "Tours & Travels Website" and recognized as the 2nd Runner-up in a web development competition using Python Flask.

WORK EXPERIENCE

None

PROJECTS

ElectroSpace - <https://github.com/MrusadPatel/ElectroSpace>

Developed a robust e-commerce platform using Laravel for academic learning. Integrated Yajrabox Datatable to enhance data display and management. To ensure secure user authentication and authorization, Jetstream was integrated. Additionally, integrated the Razorpay payment gateway for seamless online transactions. **Technologies:** HTML, CSS, JavaScript, Bootstrap, PHP, Laravel.

Tours & Travels Website - <https://mrusadpatel.github.io/Tours-Travels.github.io/>

This project was made using HTML, CSS, Bootstrap Framework for the frontend and for the backend we have used python flask framework.
